Such damage must be immediately reported to our manager, Abdillah.

12. Children

Please supervise your children at all times, especially on the roof terrace, around the swimming pool and in the garden. Use of the zip wire is at the user's own risk.

13. Swimming Pool

Use of the swimming pool and paddling pool is at your own risk. The pool is only 150 cms deep at the deep end and diving is discouraged. Please use 'swimmer' nappies for infants under three.

14. Our Liability

Villa la Diouana is covered by a standard Axa 'Multirisk' insurance policy. However, we are not responsible for any personal injury, illness, death, loss or damage of whatever nature suffered by you or by any member of your party during the booking period, taxi transfers or thereafter. This includes injury or harm while using the swimming pool, injury or harm from plants or animals in the garden, drinking water from the taps and use of the wood burning stove and gas heaters. We are not responsible for any mechanical breakdown and cannot guarantee the correct functioning of internet connection, DVD player, TV, stereo system or any other equipment. We advise drinking bottled water throughout your stay: a bottle is provided free in each bathroom at the beginning of each hire period.

15. Keys, Directions and Management

We will send directions to the villa on confirmation of your booking. When you arrive Abdillah will give you a set of keys and show you around the accommodation. He will be on hand during your stay to help you and answer any queries you may have. Please return the keys on departure.

16. Building Work

In the event of building works taking place by local authorities, private developers or neighbours, we are unable to stop such work taking place and are unable to control the level of noise.

17. Force Majeur

We regret that we cannot accept liability or pay any compensation where the performance or prompt performance of our contractual obligations is prevented or affected by 'force majeure'. In these Terms and Conditions, 'force majeure' means any event which we or the supplier of the service(s) in question could not, even with due care, foresee or avoid. Such events may include, but are not limited to, war, threat of war, civil commotion or strife, hostilities, strikes or other industrial disputes, natural disasters, fire, acts of God, terrorist activities, quarantine, epidemics, weather conditions, closure of airports, water shortages, power failure, government action or other events outside our control.
